Level	Standard Number	Description of the Standard	Documentation needed	Resources Needed/Requested	Action Steps	Person Responsible	Target Date

The Quality Improvement Plan (QIP) is developed by the early childhood program with guidance from the Technical Assistance Specialist(s). By signing this document, both parties agree that this plan addresses the standards identified through the Grow NJ Kids Self-Assessment as needing improvement. The early childhood program agrees to implement this plan in order to improve the program’s overall quality in preparation for the Grow NJ Kids rating.
